

[JULY 11TH, 2020 MINUTES]

MEETING INFORMATION: THE JULY MEETING OF THE OARC WAS HELD ON JULY 11TH AT THE EXPO DINNER HALL WHERE THE CLUB HOUSE AND REPEATER SIGHT. THE MEETING WAS CALLED TO ORDER BY DEREK N0NO AT 10:10 AM

Members Present:

John N0XOA, Tony N5JVA, Paul WA0PAC, Derek N0NO, Mike KE0BX Glen K0JGH.

Guests: None

Minutes were read by Derek N0NO. Motion to approve the minutes with a correction of the month: Motion to approve by Paul WA0PAC. 2nd by Tony N5JVA

Treasures Report: Glen reported \$280.60. Total paid members 19. Motion to approve by Mike KE0BX. 2nd by John N0XOA

Old Business:

- [a] Paul has a new revised website up to date. He is open for any suggestions before making final upload. Chris has been given access to the site as web master. Paul as administrator. Discussed posting the minutes up on the website.
- [b] Tony N5JVA has a 3 element beam he needs help getting repaired. Mike has antenna to come down and repair. Derek and Chris will information out for a date. Also, discussed the possibility of renting a lift for the day splitting the time cost .
- [c] Paul has grant application submitted and should hear back by mid August.
- [d] Field Day: Several tried to make some contacts from their home stations. Anyone submitting their score and planning to have the club get credit, should indicate: Ottumwa Amateur Radio Club with their score.

We will probably be meeting at the EXPO location or live stream in the foreseeable future. We did not activate the live stream feature ability via the Zoom do to no interest at this meeting. The app is easy to load and not too difficult to operate. Your space bar acts like a push-to-talk. When you are talking there is a yellow square light up around your screen. When your not planning to talk ... hit the mute button as any noise can trip your audio and can be distracting.

Adjourned meeting at 10:55 AM

Respectively submitted: Glen Kesselring K0JGH sec/treas
